

List elaborated following the execution of rules (UE) no. 203/2012 from the 8th march 2012 commission, and the execution of rules no. 2018/1584 from the 22st October 2018, editing the rule (CE) no. 889/2008 on the modalities of the rule (CE) no. 834/2007 from the Consul these last two repealed is replaced by EU Regulation no. 2018/848 and these secondary acts (delegated regulation and implementing regulation) and the rule NOP for the USA related to organic wine. It is your responsibility to find out from your certification organisms and to check the conformity with the list of products bellow. This list is a guide and is an interpretation, of which we hope to be as close as possible, from the rules applied. IOC will not be able to be kept responsible for an interpretation mistake, or others damages linked to the use of this list without further research from your side.
