

Material Safety Data Sheet
Date of issue: 2022 December 06th
In conformity with the directive 91/155/CEE

Organic Rectified Grape Juice Concentrate* Organic Rectified Concentrate Must*

* Product coming from Organic Farming certified by Ecocert SAS FR-BIO-01

SUCRAISIN[®] BIO

1. Identification

Designation	ORGANIC RECTIFIED GRAPE JUICE CONCENTRATE* ORGANIC RECTIFIED CONCENTRATE MUST*
Supplier	INOSUD SAS 30360 CRUVIERS-LASCOURS Tel +334 66 83 21 52 – Fax +334 66 83 22 70
Use	(For more details, to conform to the technical data sheet) Food industries, Œnology

2. Composition / Information components

Nature of product substance	Grape sugar, natural origin
Substances presenting a danger	None
Impurities presenting a danger	None

3. Identification of dangers

Specific risks	Non dangerous product in normal conditions of use
----------------	---

4. First aid

In case of contact with eyes	Wash immediately and abundantly with water. If symptoms, take medical advice
In case of contact with skin	Rinse with water and soap. If symptoms, take medical advice

5. Measures of fight against fire

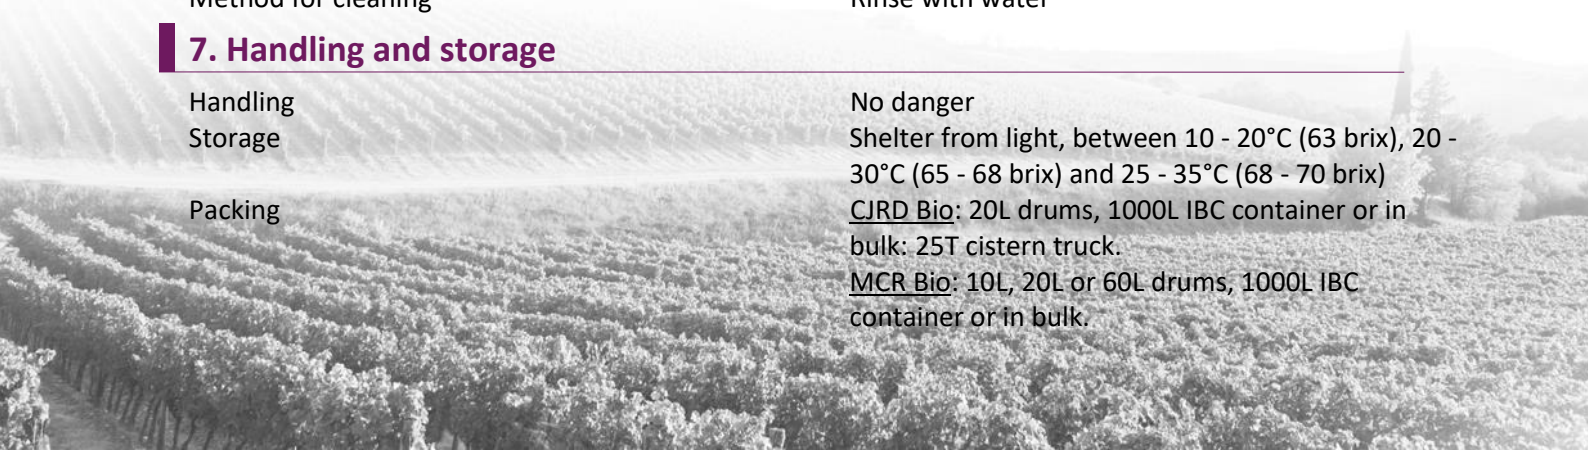

Recommended ways of extinguishing	Adapt the agent of extinguishing depending on the environment
-----------------------------------	---

6. Measures to be taken in case of accidental dispersion

Individual precautions	Gloves, glasses
Precautions for environmental protection	Avoid the pollution of sewer
Method for cleaning	Rinse with water

7. Handling and storage

Handling	No danger
Storage	Shelter from light, between 10 - 20°C (63 brix), 20 - 30°C (65 - 68 brix) and 25 - 35°C (68 - 70 brix)
Packing	<u>CJRD Bio</u> : 20L drums, 1000L IBC container or in bulk: 25T cistern truck. <u>MCR Bio</u> : 10L, 20L or 60L drums, 1000L IBC container or in bulk.

8. Control of exposure / individual protection

Protection of hands	Gloves
Protection of eyes	Glasses

9. Physical / chemical characteristics

Appearance	Liquid
Colour	Colourless
Density	<i>CJRD Bio</i> : ≥ 1.312 – <i>MCR Bio</i> : 1.305 – 1.335
Brix	<i>CJRD Bio</i> : ≥ 63 – <i>MCR Bio</i> : > 61.7

10. Stability and reactivity

Conditions to avoid	Storage to light without control of temperature
Material to avoid	None
Dangerous products of decomposition	None

11. Toxicological information

Non toxic product in normal conditions of use.
 Contact with eyes may cause irritation.
 Contact with skin may cause irritation.

12. Ecological information

Biodegradable product in a diluted solution.

13. Elimination

Conform to the local dispositions.

14. Information on transportation

The product is not concerned by the regulation on dangerous material.

15. Information on regulation

The product is not concerned by the regulation on labelling for dangerous material.
 Conform to any other national disposition.

16. Other information

Advices regarding training	To inform of the precautions which are to be taken and give the necessary equipment for individual protection
Use of the product	Food industries, Œnology

The information given in this sheet, are based on our actual knowledge for this product, from the update date. This document does not represent any guarantee on the properties of the product and does not exempt its user from conforming to the texts regulating its activity.
